

187,496
Attend
The Fair

Exposition Closed
Sunday With
Thrill Events Both
Afternoon and Night

The attendance at the 44th annual Missouri State Fair exceeded the expectations of Roy S. Kemper, secretary of the fair, and Tom Douglas, commissioner of agriculture. The total attendance, including season tickets, and children admitted free on Children's Day, was estimated at 187,496 for the eight days.

"I am very happy over the success of the 1946 Missouri State Fair," stated Roy S. Kemper, secretary today. "The crowd was exceptionally large, representing not only a cross section of citizens of Missouri, but there were many from out of the state. The fair visitors were appreciative too," he continued, "and demonstrated in many ways they were delighted with the educational features, exhibits and entertainment we had planned for them."

The fair closed Sunday night with a daily attendance of 18,400 paid admissions and 2,500 season tickets, or a total of 20,900. The final program was given by the All-American Thrill Drivers, who presented a show both afternoon and night in front of the grandstand.

Thrill Shows
The thrill show, Sunday night proved to be far more exciting than the afternoon performance, with Frank Winkley, owner, using his thrill cars in driving stunts in the roll over and bus jump, instead of "junkers."

Admission Free
The fair ground gates were thrown open to the public free Sunday night and many Sedalians and persons from surrounding towns took advantage of the free gate to drive through.

According to the officials of the fair, the police publicity is believed to have caused at least twenty to twenty-five percent less people to attend than would have been there. There were fewer children on the grounds this year than in previous years, causing many parents to remain away. It was estimated that on Children's Day there were about 1,000 boys and girls at the fair.

Miss Meyers
Going to Italy

Miss Mary Helen Meyers, daughter of Mr. and Mrs. Leo C. Meyers, has qualified under the civil service to serve as a court reporter for the war department, and has been assigned to duty in Caserta, Italy, which is near Naples.

Miss Meyers, a graduate of Sedalia high school, uses the stenotype in recording court proceedings. She is now waiting for her passport, expected any day, and will leave immediately upon its receipt.

Corporation
To Issue Bonds

JEFFERSON CITY, Aug. 26.—(P)—The public service commission today granted the Missouri Public Service Corporation of Warrensburg permission to issue \$750,000 of Series B first mortgage bonds for improving its facilities. The mortgage bonds will draw 2 1/2 per cent interest and will mature in 1976.

Revenue from the bond sale will go toward financing improvements and additions totaling approximately \$1,300,000. The company said it has made improvements costing \$401,837 since the first of this year and was contemplating further improvements during 1946 and 1947 costing \$891,695. Cash in the utilities treasury will make up the difference in the cost and the bond sale revenue. The utility furnishes electricity and gas to western Missouri consumers and operates an ice plant in Sedalia.

Council Will not
Enforce Closing Order

COLUMBIA, Mo., Aug. 26.—(P)—City councilmen have agreed informally not to enforce closing orders issued against two-thirds of the Columbia restaurants.

The closing orders which were to have been effective today, were based on charges of non-compliance with sanitary provisions of the city restaurant ordinance. Withholding of the order followed a voluntary pledge of cooperation in the cleanup by the cafe owners.

Four Prisoners Escape

INDEPENDENCE, Kas., Aug. 26.—(P)—Search was under way in this area today for four prisoners who broke out of the Montgomery county jail last night, after slugging a 70-year-old jailer. All roads were blocked, but no trace of the men had been found early this morning.

American Flyers Released by Yugoslavia

Seven Americans and two Europeans, detained in Yugoslavia for nearly two weeks after their C-47 transport plane was forced down by Yugoslav fighter planes, August 9, are shown at U. S. 88th Division headquarters in Gorizia, Italy in the first pictures made since their release. Standing, left to right: Capt. William Crombie, East Longmeadow, Mass.; T/Sgt. Joseph Hochecker, Chicago; Lt. Donald Carroll, Elgin, Ill.; Cpl. Robert Dahlgren, Cicero, Ill.; Lt. William McNew, Atlanta, Ga.; Cpl. John Dick, McKeesport, Pa.; Front, Raymond Blackburn, Clayton, Ohio; and Mrs. Alabar Palley and Arthur Lederer, both of Hungary. (NEA RADIO TELEPHOTO)

Four Groups
In Catholic
Church Meet

Two Elect Officers;
Women Plan or
Intern'l Convention

Four groups in the Catholic diocese of Kansas City met in Sedalia Sunday, each of the meetings being attended by Bishop Edwin V. O'Hara of Kansas City.

The first was of the diocesan directors of the Council of Catholic men, which was held following a luncheon at the Bothwell hotel. Officers were elected as follows: President, Vincent Crimmins, Kansas City; vice president, Edgar Heliker, Higginsville; recording secretary, Joseph Jones, Joplin; treasurer, Joseph Schleicher, Kansas City; auditor, Herman S. Day, Boonville; member of the national committee, Paul Froeschel, Kansas City.

St. Vincent de Paul Society
The second session was that of the Central Council of the St. Vincent de Paul Society, over which Monsignor J. N. V. McKay of Kansas City, presided. Officers elected were: President, Earl Broshaban; vice president, Joseph Cusack; secretary, Gerard Smith, all of Kansas City.

A third meeting was that of the division 12 of the Council of Catholic Men, of which Felix Sullivan of Sedalia is president. Attending were representatives of the Holy Name Societies of Sacred Heart, St. Patrick's and St. Joseph's churches, Sedalia; Banner, California, Cedron, Clifton City, Gravois Mills, Spring Fork, Tipton, Warsaw and other churches.

Mrs. Patrick Gibbons of Kansas City presided over a meeting of the directors of the Diocesan Council of Catholic Women, held at Sacred Heart rectory. The purpose of this session was to hear reports and make plans for the international convention of the council, to be held in Kansas City September 25, 26 and 27.

Price Control
Off Pepper

WASHINGTON, Aug. 26.—(P)—Black and white pepper and 10 other items were removed from price control today as "unimportant to the cost of living."

OPA said its action was in compliance with the new price control act which requires removal of ceilings by December 31 of all commodities not important to living costs. Today's list includes: Paprika, cinnamon meat and fish sauces, canned clam broth, canned sauerkraut with pork, sweet and sour chutney, canned plum pudding, malted milk tablets, Chinese fortune tea cakes and dehydrated sugarcane fiber.

Accidentally Killed

ST. JOSEPH, Mo., Aug. 26.—(P)—Replacing his gun in the trunk compartment of his car near Maysville, Mo., Bert W. Wright, 46, Kansas City, Mo., was injured fatally yesterday when the weapon fired accidentally.

Wright was replacing the .22 calibre rifle in the car, after shooting at a squirrel.

Too Big for One Hospital Bed

PITTSBURGH, Aug. 26.—(P)—It took 18 men to complete the task of moving John Porter of Dauphin, Pa., to Allegheny General hospital last night after he became suddenly ill on a train. Porter, 54, weighs 721 pounds and has been playing the role of the "fatman" in circuses for years.

He suffered a recurrence of a heart attack which forced him to return last weekend from the Midwest, where he was appearing with Hennes Bros. circus. At Union station here, nine men removed him from train to ambulance and at the hospital nine employees carried him to the elevator.

18-Year-Old
Girl Wanted to
Get Rich Quick

CHICAGO, Aug. 26.—(P)—Police Capt. Daniel Ahearn said today 16-year-old Shirley Jane Danoski has confessed taking \$13,000 from a wholesale grocery where she was a cashier, spent \$3,000 on new clothes and lavished \$10,000 on a 17-year-old boy friend.

The girl and her friend, Edward Jennings, Jr., were detained without charge for questioning by the state's attorney's office on a complaint signed by the grocery owner.

Ahearn reported Miss Danoski had signed a statement in which she said "I wanted to get rich quick. I guess, and he and I both needed a car."

Ahearn said \$1,624 of the missing money had been found in the boy's home, and that the youth had bought a 1946 automobile at \$2,000 above the ceiling price with money given him by his \$30 a week fiancée at intervals since last May.

Considering
Prospective
Appointments

HAMILTON, Bermuda, Aug. 26.—(P)—President Truman today took time out from his vacation to study prospective appointments to the atomic energy control commission.

Presidential Press Secretary Charles G. Ross told reporters Mr. Truman was giving "serious consideration" to the matter, but it is unlikely that the makeup of the five-man board will be announced until the President's return to the capital.

Meanwhile, Mr. Truman gave the word that started preparations for another fishing trip tomorrow. He outfished his whole party last Friday.

He was up at 6 a. m. today for a 40-minute talk with Rear Admiral G. R. Henderson, commandant of U. S. naval operating base, and Capt. James H. Fossett, presidential naval aide.

The fishing party will leave the Williamsburg at 7 a. m. tomorrow.

Ross said the President has decided on at least some of the members of the atomic control board, but their names were not disclosed.

The President, Ross said, talked with members of his party about the problem today.

Take Steps to Crack
Auto Black Market

LEESVILLE, S. C., Aug. 26.—(P)—Special agents of the OPA arrested six men here today in a raid they described as the first step to crack a \$75,000,000 traffic in automobiles at above ceiling prices that reached into fourteen states.

The arrests were made after agents purchased five automobiles at an open air automobile market here, jammed with an estimated 80 dealers and 500 automobiles.

Questions
Minister's
Report on Reds

ATLANTA, Aug. 26.—(P)—Dr. Louie D. Newton, Southern Baptist leader, who spent 25 days in Russia, delivered a report on his visit Sunday and said he found "what appears to be complete freedom of worship."

The minister's earlier reports led a layman from Missouri, O. K. Armstrong of Springfield, to observe that "nothing could be further from the truth" and two pickets marched before the entrance to the municipal auditorium bearing placards reading, "Is Louie D. Newton selling Communism to the U. S. A.?"

Both pickets were removed from the entrance by police. Police Captain W. M. Weaver said the men were released without charges and that both refused to identify themselves.

Questions Stated
Armstrong, a magazine writer and a member of the committee of Baptists at the San Francisco United Nations conference, based his remarks on earlier published reports on the trip by Dr. Newton.

In a speech at the First Baptist church at Waycross, Armstrong said: "The plain inference" of Dr. Newton's statements was "that under Soviet Communism, Baptists have freedom of religious worship."

"Nothing could be further from the truth," he added. "To Baptists freedom to practice religion means freedom to preach without censorship, freedom to criticize the evil in government and freedom to receive and send missionaries in and out of the country. Would Dr. Newton have us believe any such freedoms exist under Communist rule?"

MFA Members
Are Arriving

Members of the Missouri Farmers' Association are arriving in Sedalia today for the 28th annual convention, which opens in the Coliseum of the fair grounds tonight. A concert by Kroenke's band, beginning at 7 o'clock, will precede the opening of the session, at which the Rev. A. McKinney, of Kansas City, will give a talk.

The convention will continue through Wednesday.

Optimist Club to
Honor 4 Youths

The Optimist club, meeting at a luncheon session at the Bothwell hotel Tuesday noon, will honor four Pettis county boys who were winners in the 4-H classes at the State Fair. They are: Matt Green, Max Birdsong, Wilburn Hayes, Jimmie Harris.

Labor Day Holiday

The 1946 Labor Day Holiday will occur next week, bringing with it the impending danger of death and destruction on the highways.

Law enforcement officials have taken all possible steps to assure a safe holiday on Missouri highways. But your Missouri State Highway Patrol points out, no "holiday safety campaign" can assure the safety of human life unless drivers and pedestrians alike make an earnest effort to drive and walk safely—unless they make an earnest effort to protect themselves and their loved ones.

The decision is yours! Will YOU be here the day after Labor Day?

BE SENSIBLE — AND BE SAFE.
Your Highway Patrolman.

Selective Service
Functions to
Meet Army Quota

By Edward E. Bomar

WASHINGTON, Aug. 26.—(P)—Those presidential "greetings" are in the mails again.

Shut down for two months, the draft machinery is chugging back into action.

Reception center lines will begin to form next week. And by the end of September Selective Service is reasonably confident it will meet the army's quota of 25,000 men in the 19-29 age group.

In June, while the whole future of the draft was up in the air, only 6,400 men were inducted. There were no teen agers among them. Congress finally compromised on that issue by exempting 18 year olds but specifying those 19 were to be drafted.

During the July-August holiday when the war department asked no inductions, local boards have been registering and classifying men between 18 and 44 under instructions from Maj. Gen. Lewis B. Hershey, national director, to limit deferments to individuals in activities "indispensable" to the "national existence."

New Categories
Four new categories have just been added to the list of those entitled to "most serious consideration" for occupational deferments. They are college and university teachers, home construction workers, critical production and transportation workers.

Previously local boards were authorized to consider deferments only for students in medicine, dentistry, veterinary medicine and osteopathy, and for certain teachers and research workers in physical sciences and engineering.

Fathers, certain categories of veterans and essential agricultural workers are deferred by law. Eighteen year olds must register but are not subject to induction until they reach 19.

For the present at least, the army says it wants no one over thirty.

The size of future draft calls and the likelihood of meeting them in the seven months before the selective service act is due to expire March 31 seem certain to remain guesswork for a long time.

The army estimates that 155,000 men will volunteer for the regular army and that the draft must provide 185,000. General Hershey has estimated that Selective Service will fail by 30,000 or so to meet such a demand. However, the war department's advance calculations of the number of volunteers admittedly are conservative, and officials say the 185,000 draft figure is an "outside" one.

Postpone School Opening
KANSAS CITY, Aug. 26.—(P)—Opening of the Kansas City public schools has been postponed from September 4 until September 9 as a precautionary measure against any further spread in influenza.

The action was taken, Dr. Hunt said, upon the advice of city health authorities.

Housing Students
WARRENSBURG, Mo., Aug. 26.—(P)—The problem of housing students is being met at Warrensburg college.

A 45-room wing to the Laura J. Yeater Hall has been completed. Another permanent unit is nearing completion and an emergency housing unit is well under way according to George W. Diemer, president.

Paris Fashion Showing
PARIS, Aug. 26.—(P)—Paris fashion stylists will open their second post-war autumn fashion showings tomorrow, with all the big names scheduled in 24 days of exhibitions that will run through September 27.

Thought for today

Justice—Truth is its handmaid, freedom is its child, peace is its companion, safety walks in its steps, victory follows in its train.

Moscow Radio Charges U.S.
Is Putting Pressure on Tito

LONDON, Aug. 26.—(P)—Moscow radio charged today that the United States was "attempting to put pressure on Yugoslavia" by a display of military might including the Mediterranean cruise of the aircraft carrier Franklin D. Roosevelt.

A commentator said last week's U. S.-Yugoslav incident had been "inflamed" by "sensational mongers and mischief makers" in Britain and the U. S.

"This incident would have gone unnoticed if it had been adjusted through the usual channels — if an apology had come from the government whose plane had violated the borders of the other government," he added.

"Anyone who watched attentively cannot fail to have noted a number of facts showing that the U. S. is definitely attempting to put pressure on Yugoslavia by a display of her strength and might."

"One of the biggest American aircraft carriers, the Franklin D. Roosevelt, has been sent on a Mediterranean cruise. The American press did not spare adjectives or space to describe the might of this warship."

"Another American aircraft carrier, four cruisers and seven destroyers were sent to the Mediterranean earlier."

"The American-Yugoslav incident offers another open and rather ugly, demonstration of the essence and practice of the power politics, which the Anglo-Saxon countries are becoming more and more inclined to use in their relations with other countries."

Moscow's Pravda yesterday lauded Yugoslavia as an allied country with "enough nerve to stand up to its legal rights" against an "unprecedentedly sharp" ultimatum.

Draft Board
Reorganized

Edward P. Mullaley, for four and one-half years a member of the Selective Service board for Pettis county, has resigned. William B. Hershey, national director, to limit deferments to individuals in activities "indispensable" to the "national existence."

The board, now composed of three members, all veterans of World War II, met today and elected William F. Brown, chairman and Russell Peck, secretary. Miss Erna McClure is retained as clerk.

Explains Work
As Signalman
In the Service

Don S. Lamm, Jr., who spent approximately a year in the Canal Zone and was engaged as a signalman on both the Atlantic and Pacific areas, was the speaker at the Rotary meeting today noon at the Bothwell hotel.

The meeting was presided over by the president J. U. Morris, with invocation by the Rev. J. Fred King.

Songs were led by James Denney with Mrs. W. L. Monegan as accompanist.

Guests were introduced by Ed Edwards. They were Richard Wade, guest of his father, A. B. Wade, Lee Peabody, Jr., guest of his father, Lee Peabody, Jr., Glenn Snider, superintendent of the Hughesville school, guest of C. F. Scotten; Rotarians H. I. Conrod, Warrensburg; Earl L. Duncan, Springfield; Turpin Youtsey, Galatin and Richard L. Beck, Coffeyville, Kas.

Fred Arbogast, program chairman for September, announced the program.

Interesting Talk
The speaker was presented by Lee Peabody, program chairman, and gave a very interesting talk on his work while in service.

He explained how ships were signaled in, beginning in some instances when the ship was thirty miles at sea and how ships were identified in war. He told concerning task forces, eleven transiting the canal in one day. He stated that while the Canal Zone itself was greatly improved, much of the Republic of Panama was still undeveloped and dense jungle; that men coming from the Pacific area reported that the Panama jungle was more dense than what they had seen in the Pacific.

He said that the population of the Republic of Panama and the Canal Zone was not over a half a million, of whom nearly two hundred and fifty thousand were mixed blood, ninety thousand white, seventy thousand Negroes, forty thousand Indians and about five thousand Orientals.

While in Panama, he mentioned that no racial difficulties existed, but that a small revolution took place when followers of the former President Adrias (1941) attempted to take over the police station in Colon and the arsenal in Panama City.

He stated that the chief exports of the country were bananas, sugar, tobacco, leather goods and woods grown in the tropics. The chief imports consisted of machinery, grain, cotton, and numerous other manufactured products, sixty-four per cent coming from the United States.

In conclusion the speaker described the function of the Canal locks and the challenge confronted by the United States in developing even a more intricate canal system for atom bomb defense and so that ships can make more rapid transits from one ocean to another.

Requests 'Obey' in Ceremony

WILTON, Conn., Aug. 26.—(P)—Requesting that the word "obey" be retained in the wedding ceremony, Screen Star Olivia De Havilland was married here today to Marcus Aurelius Goodrich, scenario writer and former newspaper man.

The wedding took place at the country home of Lawrence Langner, New York Theater Guild executive, with Phyllis Loughton, Hollywood dialogue director, as matron of honor and George Seaton, film writer, as best man.

The marriage was the first for the actress, who is 30 years old, and the fifth for the 46-year-old Goodrich. Goodrich, a former lieutenant commander in the navy, was author of "Delilah" and other novels, as well as several screen plays.

Combing
Alps For
Airman

Missing Since
Transport Plane
Was Shot Down
Over Yugoslavia

BELGRADE, Aug. 26.—(P)—The bodies of American fliers who perished Aug. 19 when a second United States transport was shot down were brought from the Julian Alps mountains to Ljubljana today under an honor guard escort of the Yugoslav Fourth army.

Four coffins draped with American flags were placed aboard a United States-made weapons carrier after the remains of the airman were re-examined today at the village of Koprivnik, the scene of their mass burial by Yugoslav Partisans.

An exhaustive examination by United States grave registration representatives and two Yugoslav doctors ascertained that it is "almost certain" the remains of four bodies were disinterred from the grave in tiny Holy Cross church cemetery, said Lt. Col. Chester M. Stratton, U. S. assistant military attaché.

Previously it had been reported that only three Americans were buried there.

Searching Wreckage
Stratton said bits of wreckage of the C-47 shot down in flames by Yugoslav fighters will be moved in hopes of finding the fifth body. Search parties have combed the mountains for it without result.

The cavalcade which transported the four coffins through the resort town of Bled to Ljubljana was organized by the commanding general of the Yugoslav 4th army, Lt. Gen. Danilo Lekic, in whose area the two U. S. planes were downed. The column consisted of six German-made military command cars and two jeeps.

Riding in the procession were 30 officers of the Fourth army and of the Yugoslav airforce, making up the honor guard which Gen. Lekic had promised to furnish when he conferred yesterday with Stratton.

Yugoslav Escort
The bodies were carried from the rugged hills by an escort of eight Yugoslav soldiers of the Fourth army to the point where they could be placed on the weapons carrier.

A wreath presented by the 4th army and aviators attached to the 4th army were placed on the military hearse, along with other flowers. Col. Richard Partridge, the American attaché, announced that instructions had been received from Paris to send the remains to the United States for burial. A guard of honor will remain with the bodies at a mortuary in Ljubljana until they are placed aboard the private plane of U. S. Ambassador Richard C. Patterson for the flight, possibly tomorrow, to Belgrade.

Air Escort
A Yugoslav fighter squadron will circle Ljubljana and escort the ambassador's plane to the Yugoslav capital. (It was not clear whether the three would be buried in Belgrade or the United States. A Belgrade dispatch Saturday said they would be buried in the U. S. military cemetery on the outskirts of the Yugoslav city. However, a Paris dispatch said that U. S. Secretary of State James F. Byrnes had asked the army to bring the bodies to the United States for interment.)

Lt. Col. Chester M. Stratton, assistant U. S. military attaché, announced Marshal Tito's compliance with the American request for highest military honors.

The embassy also said that the Fourth army would send new searching parties through the rugged terrain in the vicinity of the crash to seek the two missing Americans.

Depends on Yugoslavia
(The U. S. state department, in a statement issued Saturday night, indicated that whether the United States would take Yugoslavia before the United Nations security council for shooting down two U. S. transport planes depended on "the efforts of the Yugoslav government to right the wrong done.")

Although Marshal Tito informed Patterson that no one parachuted from the flaming C-47, the bodies of only three of the five occupants have been recovered. Only one of the dead — Capt. H. F. Schreiber — has been identified definitely.

Eye-witnesses have maintained they saw two persons parachute from the plane. Some sources, however, said that what the eye-witnesses actually saw were two gas tanks jettisoned from the transport.

Stratton said American military authorities "have complete confidence" in the U. S. grave registration detail which reported only three bodies were found in the mass grave. This raises the distinct possibility the other two members of the crew may still be alive.

Miss Sawford Married To John Allen

Miss Lillian Sawford, daughter of Mr. and Mrs. Thomas Sawford of Smithton, and Mr. John Allen of Lutesburg, Mo., were married Wednesday afternoon, August 21, at 2:00 o'clock. The Rev. E. F. Dillon read the single ring ceremony at the Methodist parsonage in Smithton in the presence of immediate relatives and friends.

Preceding the ceremony Mrs. Walter Baxter played "Ah, Sweet Mystery of Life," by Victor Herbert and Miss Ann Sawford of Sedalia, aunt of the bride, sang "I Love You Truly," by Carrie Jacobs Bond.

The wedding took place before the archway in the living room from which hung a white wedding bell. On either side were tall floor baskets of white gladioli and fern in the background was a seven branch candelabrum with tall ivory tapers, with vases of white gladioli, white zinnias and tuberose on either side.

Lighted Candles

The candles were lighted by Miss Mildred Dillon.

As Mrs. Baxter played the bridal chorus from "Lohengrin" by Wagner, the bride descended the staircase preceded by her maid of honor, Miss Verona Neumeier. The bride wore for her wedding a street length dress of brown crepe with gold accessories and wore a corsage of Gloria roses and stephanotis.

Miss Neumeier was in a street length dress of brown sheer with chartreuse accessories and her corsage was of chartreuse gladioli.

Mr. Paul Cooper of Eldon, Mo., served Mr. Allen as best man.

During the ceremony Mrs. Baxter played softly "Liebestraum" by Franz Liszt and as the recessional the "Wedding March" by Mendelssohn.

Guests at the wedding were Mr. and Mrs. Thomas Sawford, Mr. and Mrs. Edward Sawford, Mr. and Mrs. Will Griffin, Mrs. Charles Griffin, Mr. Walter Baxter and sons Robert Joseph and Ralph Gordon, Mrs. E. F. Dillon and Mrs. Cooper of Eldon.

Following the wedding a reception was held in the dining room of the Methodist church. A three tier wedding cake, topped with a miniature bride and bridegroom, formed the centerpiece also were a part of the table decorations. Bouquets of cut flowers, large baskets of gladioli and ferns and ivory tapers in the seven point candelabrum were used throughout the dining room.

After the bride had cut the first piece of wedding cake the remainder was served with other refreshments by Mrs. George Griffin, Mrs. Robert Griffin, Mrs. William Sawford and Mrs. William Williams.

Reception Guests

Mrs. Walter Baxter played the wedding music during the reception.

Those present at the reception, in addition to the wedding guests, were Mr. and Mrs. George Griffin and son, George III, Mr. and Mrs. Robert Griffin and son Gary, Mr. and Mrs. William Sawford and children William, James Edward and William Allen, Mr. and Mrs. William Williams and sons Charles and John, Mr. and Mrs. A. F. Neumeier, Mrs. Emma Bohon and Miss Laura Kruse.

The bride is a graduate of the Smithton high school and Central Missouri State Teachers' college at Warrensburg and for the past few years has been teaching commerce in the University of Missouri.

Mr. Allen, who was in the service overseas, is a graduate of the Teachers college at Cape Girardeau. He also studied at the University of Iowa and Missouri. He will teach this year at the Teachers college in Cape Girardeau.

The couple left immediately after the reception for a wedding trip in Southern Missouri.

Promised to Check His Imagination

CHICAGO, Aug. 26.—(P)—Joseph Eugene Kardel, 17, of 699 East 23rd street, Paterson, N. J., who told police he drowned a young girl as they swam nude, and then admitted his tale was a hoax, was freed today on a disorderly conduct charge.

Judge Joseph Drucker of Boys' court, dismissed the case after Kardel promised to keep his imagination in check and go back home.

Little Man

OMAHA, Aug. 26.—(P)—It cost Leonard J. Roesler, 18, of Grand Rapids, Neb., 117 pounds, but he's in the marines at last. Somewhat overweight at 300 pounds last spring, Roesler played football and used bar bells to whittle his poundage to a trim, hard 183.

The marines snapped him up.

Search for Crew Members

NEW YORK, Aug. 26.—(P)—A coast guard plane continued to search today for three members of the army supply ship FS 231, who disappeared at sea after the ship collided with the 7,600-ton merchant ship Midland Victory at midnight Saturday.

Goering Scowls At a Witness

NUERNBERG, Aug. 26.—(P)—A German general told the international military tribunal today that in July, 1943, Adolf Hitler entrusted Hermann Goering with the task of carrying out preparations for waging bacteriological warfare and gave him all the necessary powers.

Maj. Gen. Walter Schreiber, who was brought here from a prisoner of war camp near Moscow to testify, said an institute was established near Poznan, Poland, where bacteriological cultures were to be produced on a large scale and experiments carried out.

Only the time needed to produce enough cultures to be effective and later the necessity of developing serum to protect German soldiers and civilians prevented the plan being put into action, Schreiber said.

The witness said another institute was being prepared in Thuringia where the possibility of unleashing a bubonic plague upon the world was to be investigated.

Goering started forward angrily in his and scowled at Schreiber when when the witness told Gen. Alessandroff of the Russian prosecution staff that he (Goering) had ordered experiments on human beings in order to develop new suits for pilots, many of whom were being shot down into the English channel and freezing to death before the arrival of a rescue plane.

His Future 'In God's Hands'

HERRIN, Ill., Aug. 26.—(P)—Ousted as pastor by means of a padlock and a court injunction, the Rev. C. C. Williams says he "would rather suffer according to St. Matthew," and will give up his fight to retain his pulpit at Herrin's first Apostolic church.

A substitute minister conducted Sunday services and members of the congregation said "all was quiet," in contrast to the previous Sunday, when police quelled a disturbance.

Mr. Williams did not attempt to conduct yesterday's services. Quoting from the Bible to explain his stand, he said he would not press religious meeting disturbance warrants he had obtained against 11 members of a church faction which opposed him.

He said he would not contest an injunction the hostile faction obtained to prevent his entrance into the church. His future, he added, was "in God's hands."

The hostile faction also had padlocked the church door to bar him and enforce their demand that he resign. The faction contended he had failed to carry out undisclosed pastoral "commitments."

Charge Youths With Murder

KENNETT, Mo., Aug. 26.—(P)—Three Dunklin county farm youths were charged with murder today as the outgrowth of a stabbing episode at the Triangle night club at Holcomb, 14 miles north of here, Saturday night.

Prosecuting Attorney Henry C. Walker said he was holding Tommy W. Back, 24, on a murder charge in the death of Tony Paul Allard, 23, proprietor of the night club, and had issued murder warrants against L. D. Aske, 20, and his brother, Millard, 25. All reside near Holcomb.

A coroner's jury found that Allard died of a stab wound which severed an artery in his left hip. William Richardson, an employee of the club, told the jury a brawl ensued when he, Allard and E. W. Brown, another club employee, attempted to collect from the trio for a soft drink and admissions to the club's dance floor. Brown is in a hospital here with a knife wound in his abdomen.

Neighbors Complain Of Airplane Noise

ST. LOUIS, Aug. 26.—(P)—Police were called to a schoolyard in a residential area yesterday to ground a jet-propelled model airplane when neighbors complained of the noise.

Alfred T. Yount, president of the Greater St. Louis Modelers' Association which was conducting a demonstration of model craft, agreed the jet plane, with a 30-inch wingspread, was "pretty noisy."

The demonstration was allowed to continue with its display limited to gasoline-powered planes.

Police Headquarters Have Burglar Alarm

BOSTON, Aug. 26.—(P)—A burglar alarm system was installed today—in the Boston police headquarters building.

Without explanation, officers were fixing the mechanical device for added protection to the ballistics department, where quantities of armaments and ammunition are stored.

Marvatee Harbit In Ensemble

In listing the violin players who were in the first prize winning violin ensemble in the music contest at the fair the name of Marvatee Harbit was inadvertently omitted.

State Fair Awards

Judging Awards

Arthur Goodspeed, Columbia, was high man of the 1946 Missouri state fair livestock judging contest for young men under 25 years of age. Cash prizes totaling 175 dollars were offered in this department for amateur judges.

Goodspeed's score of 670 out of a possible 750 was followed by Logan Heathman, also of Columbia, with a 656 point score. Horace M. Hunt, Harrisonville, superintended the contest and J. U. Morris, Sedalia, and O. R. Tripp, Aurora, were judges.

Other contestants who placed in the contest were Sam Brady, Columbia; Harley King, Toluca, Ill.; Ernest Sasse, Jr., McBaine; Charles Merilan, McBaine; John Rudasill, Moline; Emmett Walker, Marshall.

State Fair Awards

Aberdeen Angus (Beef Cattle)

Ninety head of top Aberdeen Angus cattle showed in the Aberdeen Angus show at the 1946 Missouri State fair. Although there were less Missouri breeders entered, the show turned out to be one of the largest ones ever to be held in Missouri or elsewhere. As M. F. Grimes, secretary of the American Aberdeen Angus association put it, "This show was of good size and represented the best quality of animals."

The grand champion bull, Eric B. 10th, shown by F. M. Bradley and sons, of Avon, Ill., was the reserve champion bull, Bandol 14th, was shown by Otto G. Nobis, of Dayton, Iowa.

Grand champion female, Elba 2nd, is owned by the Ralph L. Smith farms of Lee's Summit, with the reserve championship going to Otto G. Nobis, of Dayton, Iowa, who showed Parma of Wilton. An example of the competition in this show is the fact that a heifer that won the grand championship female award at the Fort Worth, Texas, show stood second in line at the Missouri show.

The first award went to the Ralph L. Smith Farms of Lee's Summit, and the record priced forty-thousand dollar Aberdeen Angus bull, Prince Eric of Sunbeam.

State Fair Awards Barrows

The grand champion barrow and reserve champion barrow, owned by junior exhibitors, were sold before the grandstand for \$200 and \$250, respectively, Thursday afternoon (at public auction).

As a follow-up Friday morning in the swine pavilion, 41 head of barrows, owned by junior exhibitors, were sold for a total of \$1,956, averaging \$47.71.

Col. Ed. Caldwell, Perry, Mo., was auctioneer.

Bill Burns, Barnard, Mo. (north east of St. Joseph), purchased a litter of state of the grand champion barrow at 27½ a pound, or a total of \$55, with expectations of entering this barrow in the American Royal in October.

Safeway Stores, Inc., represented by Mr. Hal D. Bag, public relations manager, and Mr. Dave Semra, district manager, purchased 10 head for \$483.50, or an average of \$48.35.

Krey Packing Co., Missouri Pacific stockyards, Sedalia, represented by Mr. C. E. Ferguson, hog buyer, and Mr. D. B. Mayfield, purchased 30 head of barrows for \$1,417.55 or an average of \$47.25.

Forming Units of Negro Personnel

WASHINGTON, Aug. 26.—(P)—General Jacob L. Devers, ground forces commander, has authorized the formation of 315 units of the army's organized reserve corps with exclusively Negro personnel.

However, in accordance with a new postwar policy to limit the size of Negro units, none will be larger than a regiment, but all will have a full complement of officers and enlisted men. The units will be trained for active service in the event of an emergency.

Springfield Clothier Dies

SPRINGFIELD, Mo., Aug. 26.—(P)—Pinkney L. Nathan, former Springfield clothing store owner, died Saturday in Los Angeles. He will be buried in Fort Smith, Ark., where he and his brother, Louis, who survives, also at one time operated a clothing store.

Marriage License Issued

Junior L. Adair and Ila L. Paxton, both of Sedalia.

William Dewey Wilson and Eva Mae Wheatley, both of Sedalia.

Mrs. John Burke Ill

Youngest to Fly Atlantic

CHICAGO, Aug. 26.—(P)—Motherless Susan Jane Lehman slept peacefully today in her grandparents' Chicago home unconcerned that at ten weeks she is one of the youngest passengers ever to fly the Atlantic.

The baby arrived about midnight last night in the Chicago airport after a 40-hour journey from London. Her father, T. J. William Lehman, said Susan Jane weathered the trip better than he did.

"I was a little woozy at times," he commented.

Susan Jane's mother, the former Miriam Tomlinson, of Manchester, England, died shortly after the child's birth. Army regulations do not permit infant children of American servicemen to travel by ship. The air transport, however, arranged the flight so that Lehman, due for discharge, could take his daughter to his parents' home here.

Upholds Unit Vote System

ATLANTA, Aug. 26.—(P)—A three-judge federal court upheld today Georgia's county unit vote system of deciding Democratic primary elections and refused to invalidate nomination of Eugene Talmadge to a fourth term as governor.

The tribunal dismissed a suit of an Emory university professor and an Atlanta woman civic leader which sought to have the unit system declared void and the nomination of Talmadge cancelled.

The judges said it was their unanimous opinion that "an interdictory injunction should be denied."

The opinion said "these unit votes also appear in the electoral college in choosing a president, so that there have been presidents who did not receive a majority of the popular vote."

Officers Die In Plane Crash

MEMPHIS, Tenn., Aug. 26.—(P)—American airlines officials reported today that two regular pilots lost their lives last night when a stripped-down Douglas transport plane crashed near Holly Springs, Miss.

The airline said the victims were W. C. Stehle and McLemore Elder, both captains based at Memphis. J. W. Hannah, of the airline, said the pilots took off from the base about 11 o'clock last night on what he described as "a training flight."

Hannah added that the cause of the crash had not been determined and that company and civil aeronautics authority investigators were at the scene.

The plane burst into flames as it crashed, eye-witnesses reported. The mishap occurred "around midnight sometime," Hannah reported, adding that the wreckage was still smoking this morning when the bodies were removed.

Identify Kelly's Body

WASHINGTON, Aug. 26.—(P)—More than four years after his death, new honors may be paid to Capt. Colin P. Kelly, Jr., legendary air hero of the tense days immediately after Pearl Harbor.

His body, now lying in military cemetery No. 2 at Manila, has been positively identified, the war department announced. If his widow or his father desires, it will be brought back to the United States next ship for reburial with the honors authorized by congress and the war department for American dead of World War II.

The pilot of one of the few American bombers in the Philippines able to deal a blow at the invading Japanese, Captain Kelly met death in the crash of his plane while returning from a daring raid on Japanese warships.

Time Enough

CHICAGO, Aug. 26.—(P)—Lt. Carl Reili has had to amend his order setting a 30-second time limit on telephone calls between state policemen and their wives.

The wives objected when Reili, with romantic sympathy for unwed members of his force, allowed one minute for conversations with new girl friends; two minutes to sweethearts; and two and one-half minutes to fiancées.

So now wives get 45 seconds.

Authorize Extra Editions

BERLIN, Aug. 26.—(P)—The American military government today authorized all newspapers in the U. S. zone to publish extra editions when the Nuernberg war crimes trial verdicts are announced. These are the first extras to be authorized since the occupation began.

OBITUARIES

Yancey Ben Wood

Yancey Ben Wood, 76 years old, long resident of Pettis county, died at 10:20 o'clock Sunday morning at the Wasson home, northeast of Sedalia.

Mr. Wood was born April 28, 1870 in Virginia. He came to Missouri in 1889 and on September 26 of that year was married to Fannie Austin. He was a deputy constable seven years under Forrest Poindexter.

Surviving are a son, Glenn J. Wood, of Long Beach, Calif., and a sister whose address is unknown. Elmer Bolts, south of Sedalia, E. D. Whitefield and Frank Shirley are brothers-in-law.

The body is at the Parker home in LaMonte.

Funeral services will be held at 2:30 o'clock Tuesday afternoon at the Parker home with the Rev. Orville Woolery, pastor of the Baptist church at LaMonte to officiate.

Mrs. Louis A. Bestgen

Mrs. Louis A. Bestgen, Tipton, died at 3:10 o'clock Sunday afternoon at Bothwell hospital, where she had been a patient since August 23.

Services for Stillborn Child

Graveside services for the stillborn son of George L. and Viola Kidwell, 308 East Howard street, were held at 10 o'clock this morning at Crown Hill cemetery, with the Rev. Ralph E. Hurd, pastor of the Epworth Methodist church, officiating.

Leonard B. Dowdy Service

Funeral services for Leonard B. Dowdy, 1613 East Seventh street, 39 years old, who died at the Veterans hospital in Wadsworth, Kas., Friday, were held at 2 o'clock this afternoon at the Gillespie funeral home, with the Rev. Ralph E. Hurd, pastor of the Epworth Methodist church, officiating.

Mrs. R. H. Robb and Mrs. F. O. Withers sang "The Old Rugged Cross" and "Shall We Gather at the River." Mr. Hurd sang a solo, "Going Home." Mrs. Mae Moser was the accompanist.

Palbearers were Paul Edwards, Aubrey Case, Otis Waller, Lloyd Raeburn, Emmett Bohon and Lionel Bohon.

Veterans of Foreign Wars, of which he was a member, also had services.

Burial was at the Memorial Park cemetery.

Several Still Attend GAR Conventions

INDIANAPOLIS, Aug. 26.—(P)—Veterans of the civil war cast aside today any idea that they are holding the last encampment of the Grand Army of the Republic.

National Chairman Robert M. Rownd, 102, of Ripley, N. Y., declared the G. A. R. would accept an invitation to return to Indianapolis for another encampment next year if it were offered.

Convention headquarters reported that 10 members, the youngest 96 years old, had arrived for the convention and several more had sent reservations.

Daughter Born to Woman Hurt in Crash

FORT SMITH, Ark., Aug. 26.—(P)—A daughter was born here yesterday to Mrs. Betty Lou Oliver, 20, injured when an army B-25 bomber crashed into New York's Empire State building July 28, 1945.

Mrs. Oliver and the child were "doing nicely," hospital attendants said.

Jester Wins in Texas

DALLAS, Texas, Aug. 26.—(P)—Beauford H. Jester, member of the state railroad commission and an attorney-farmer from Corsicana, won the Texas gubernatorial nomination over Homer P. Rainey, former president of the University of Texas, in the Saturday run-off election that climaxed a campaign that had begun nearly five months ago.

Calling New Pastor

Stocks On Recovery Side

NEW YORK, Aug. 26.—(P)—A few leaders managed to climb to recovery side in today's stock market but late selling intervened and the general direction was lower at the close. Dealings tapered appreciably after a fairly active start and, until the final hour, trends were only slightly irregular. Liquidation became a bit more pronounced near the end and initial gains amounted to a point or so were erased or converted into losses of as much. Transfers for the day were in the neighborhood of 800,000 shares.

American Telephone retrieved about 4 points of its last week's slump but eventually, cut the advance. Ahead were Douglas Aircraft, American Can, Eastman Kodak, Johns-Manville and standard oil.

Hiram Walker fell more than 4 and lesser casualties were U. S. Steel, Bethlehem, Chrysler, U. S. Rubber, the Goodrich, Montgomery Ward, Woolworth, Paramount Pictures, Allied Chemical, Du Pont, Union Carbide, Consolidated Edison, Electric Power and Light, Santa Fe, Southern Pacific, Southern Railway and Texas Co.

Bonds were a trifle uneven.

Resume Trading In Wheat

CHICAGO, Aug. 26.—(P)—Grains eased today in the wake of heavy runs of underweight hogs and poorly sold cattle arriving at the nation's livestock markets. Traders saw the abnormally large marketings as forecasting a reduced demand for grain and the price of wheat advanced about \$2.00, but the bread cereals soon turned lower with corn and oats. At times all deliveries were selling below the former OPA ceiling of \$1.98.

A cautious attitude developed toward wheat trading in view of the possibility that ceilings might be renewed on the grain. Some commission houses were refusing to make any trades for customers in the bread cereal, while others were restricting the Board of Trade members only.

Corn finished 1/2 to 1 1/4 cent lower than Saturday's close. January \$1.32 1/2 and were off 5/8 to 1 cent. September, 73 1/2 to 73 3/4. Final quotations on wheat were down 1 1/2 to 4 cents from opening prices. January closed at \$1.97, March \$1.94 and May \$1.92.

Swamping Cattle Market

KANSAS CITY, Aug. 26.—(P)—With OPA ceilings going into effect Thursday, farmers and stockmen all over the southwest were today funneling cattle into the Kansas city market reaching a total of 30,000 head.

Receipts were the largest since last September 24 when the total was 31,848 and stockmen reported today's shipments were limited only by railroad equipment. Stock cars are being rushed into the city and the present high prices are expected to continue at a high mark through Wednesday.

A large number of the cattle were unfinished having been on grass through the summer or just started on grain, indicating that the stockmen prefer to make up for the present high prices rather than hold the cattle and sell later at OPA ceilings.

Shipments of other livestock continued today.

RUPTURED MEN SHOULD MAKE THIS TEST

Kansas City, Mo.—A doctor's invention for reducible rupture is proving so successful, an offer is now being made to give everyone who will test it a \$3.50 truss at no cost. This invention has no leg straps, no elastic belts, or leather bands. It holds rupture up and in. Is comfortable and easy to wear. After using it many report entire satisfaction. Any reader of this paper may test the doctor's invention for 30 days and receive the separate \$3.50 truss at no cost. If you are not entirely satisfied with the invention—return it, but be sure to keep the \$3.50 truss for your trouble. If you are ruptured just write the Physician's Appliance Co. 6594 Koch Bldg., 2906 Main St., Kansas City, Mo., for their trial offer.

The Daily Washington Merry-Go-Round

(Ed. Note — While Drew Pearson is on a brief vacation his column will be written by several distinguished guest columnists — today's by Tom C. Clark, attorney general of the United States. Attorney General Clark's column takes the form of a letter to Drew Pearson.)

By Tom Clark
My Dear Drew:

The fact that I have been invited to pinch-hit on the Washington Merry-Go-Round proves, without a doubt, that there is a free press in the United States. Your offer gives me an opportunity to write a story that is close to my heart — it's just about kids — and that's no kidding.

Most of us know that teenage crime is nothing new in this country. It has been with us for so long that some callous individuals have taken the attitude that juvenile crime is similar to a bit of dust. It must be ridden under the rug.

I'll have to admit that I, too, didn't see the scope of the problem until October of last year. At that time I visited a correctional institution near the District of Columbia. What I saw was appalling: Crowded housing conditions, first offenders mixed in with repeaters and a lack of supervision in the educational work and recreational program.

My first thought was that the Department of Justice could do its bit to erase this blot on a strictly federal basis. I took the narrow view that the department's concern was with the 16-hundred odd teen-agers under federal jurisdiction. Closer investigation indicated that my attitude was like curing cancer with a mustard plaster.

I realized that juvenile crime—its prevention, control and correction—could not be segregated to either federal, state or community levels. It's a domestic issue that crosses state lines and community boundaries right down to the home life of these erring youngsters.

The scope of this problem has been ably illustrated by the Federal Bureau of Investigation. The latest FBI statistics indicate that

NAGGING OLD BACKACHE

OFTEN PROMPTLY RELIEVED BY HERBS
When due to insufficient secretion of KIDNEYS
Every sufferer from backache, headache, and frequent getting up nights due to kidneys not eliminating properly, should know how wonderfully Dr. Kilmer's Swamp Root medicine relieves such distress. For three generations Swamp Root has been the standby in millions of homes when getting up nights causes folks to lose sleep and feel so nervous, run-down and worn out. Many think there is nothing like the natural herbs in Swamp Root, for stimulating secretion of the kidneys. TRY IT! Try to get feeling better with a bottle of Swamp Root from the drug store.

Daughter Of Mine

By R. Louise Emery

XXXI

DELLA sat down and folded her hands in her lap. "You and your damned Communist ideas," she said. Everything but the caste system is communism to Della.

Corinna went to Cecily and put her arms around her. "I'm sorry," she said, beginning to cry, too. "I started the whole thing."

Cecily choked over her answer, but the effort was forgiveness.

The room blurred for me. Robert's hand on my elbow was firm. "We'd better go home," he said.

I wanted to scream and beat my hands against the wall, but I followed him docilely. No one said goodbye to us as we left.

It was anti-climax to find Val waiting for us at home. We had given him a key just for such exigencies as this. He rose to greet us and he was not at all the way I had pictured him. He did not look harassed and defeated; he was buoyant and confident—even happy.

"Well, if it isn't our ninety-day wonder that didn't win," Robert said heartily. "Sit down, boy, and give us the low-down. No one can tell me you washed out because the stuff was over your head. What happened?"

Val grinned. "You were right, sir—I'm not Air Force material. The month before exams that old formula began nagging at me again. I couldn't study for the thing, it was so insistent. So I guess I just quit studying and went back to work on it. You can't do that and pass exams, I find."

"Good," Robert commented. "Sit down."

Val slumped sheepishly toward the door. "I thought I might wander up the hill and see if there's a light in Cecily's house—she keeps late hours—"

"Oh—!" For the first time in his life Robert had to turn to me for help in a situation beyond him.

more 17-year-olds are arrested than in any other age group. Those under 21 represent fifteen per cent of all murderers, fifty per cent of all burglars, thirty per cent of all rapists. Arrests of girls under eighteen have increased 198 per cent since 1939.

Justice Department Tackles Problem
In February of this year, we of the department of justice decided to tackle the problem. We invited a comparatively small group of people — 23 in all — to help us. They came from federal departments, state groups and private welfare agencies.

Their report was short and to the point. The crux of their recommendations was that teenage crime must be attacked on the broadest possible basis — all the forces in the child's home life to cooperation between federal, state, community and private organizations on a continuous basis.

And that's what's going on right now, Drew.

The department of justice, in collaboration with hundreds of public and private agencies, has called a national conference for the prevention and control of juvenile delinquency. The actual conference will be a three-day affair on October 21, 22 and 23. But the preparatory work is already under way.

You see, this conference does not follow the usual pattern of Washington "conferfests." It will be devoid of voluminous speeches, trills and window dressing. The participants will work instead of making speeches.

Progress Being Made
At this writing we have already accomplished the following:

1. The entire field of juvenile crime has been divided into definite categories.

2. Pre-conference panels are meeting right now. For the first time in this field, representatives of federal, state, community and private organizations are working together in balanced groups. Restrictions are placed on the scope of an individual panel, not on its membership.

3. The goals of these panels have been set. They are to complete detailed reports. A number of these papers are now reaching completion.

Action The Key
All of this preparation will streamline and make easier the work of the full conference in October. At that time, the participants will also divide themselves into working panels. They will have the task of considering the reports. They may alter them, make additions, delete sections or discard them in their entirety. Only one ground rule has been set. Prior to adjournment, each panel must bring out a final report that reflects its undictated opinion. The cumulative blueprint will be published and distributed on the widest possible basis.

It is our aim that the drive against juvenile crime will end with the national conference for the prevention and control of juvenile delinquency. When the final session is over the pick-and-shovel work will really begin. Delegates will be charged with organizing similar conferences wherever they are active. Specific projects may be delegated to individual organizations which play a large part in community life. In industrial areas, labor unions may have to carry the ball. In rural areas, a great portion of the work would fall to farm groups. In all areas, the peculiarity of local conditions would be the guide.

"Cecily," I said bitterly, "has just announced her engagement to Steve."

"The light died in Val's eyes."

"She promised—!" Val began on a thin breath, and then he stopped. "We couldn't both have her," he finished. His mouth twitched. "Well, I guess I'll go on home."

"I'll walk with you," Robert offered. I knew that he would tell Val whatever he felt was necessary about the evening.

I was afraid to trust my voice. I went quickly to my room without saying goodnight and sat there in the dark, crying silently, wanting Corinna and yet feeling a barrier between us that I dared not try to assail.

Presently the doorbell rang. Probably Robert finding himself without a key, I thought. But Corinna appeared at my door.

"Mama—Cecily wants to see you."

I started up, my heart banging wildly. "Tell her to come in here," Cecily said.

She came, a fur coat thrown over her dinner dress. The room was in merciful darkness except for the streamer of light between us from the hall outside the half-door. I could not see the devastation written in her face.

"But I could hear it in the tremulous young voice."

"Aunt Mavis—do you know who my mother was?"

"Hasn't Della told you?"

"No. She won't talk about it. But I have to know. Why did she give me away? Oh, Aunt Mavis, why?"

"Because she was dying," I said. "And she knew Della and Thorne would care for you and love you. And they have."

"Oh, I know they have! And I love them," her voice broke. "But they should have told me. Because I love them even more now—it wouldn't have made any difference."

She said, "It's like mother to take in a stray wolf—look at the way she cares for daddy—!" No reproach for Della! Only for me.

My hands were clenched against my breast.

"BUT I want to know about my real mother, too," Cecily went on. "I want to know what kind of woman she was. How old was she when she died? Did you ever see her?"

I took a deep breath to steady my voice. "Yes, I knew her. I was ill in the same hospital where you were born. It was while Della was visiting me there that she learned she could have you."

"What was she like—I mean my mother?"

"She was young—like most girls who get themselves into such difficulties. And vain, too. She imagined that she was pure enough and desirable enough to reform a man who had no honor—only a certain charm. He taught her that she was neither pure nor particularly desirable—so after some months she tried to kill herself but she wasn't any more successful at that than she had been in making a silk purse out of a renegade. However, the attempt brought you prematurely and the doctors advised her to make arrangements for you immediately. They told her she couldn't live."

"Oh, Aunt Mavis, how horrible! Wasn't she frightened?"

"She was too far gone to care. Della and Thorne had been trying for months to adopt a child but the regular agencies thought a child shouldn't be put into a home where the foster-father was an invalid as Thorne was, liable to die before the baby was grown. So Della didn't waste any time getting papers for you. Thorne was going down hill fast at that time and she hoped his interest in a child would help him."

"And it did," Cecily said.

"Yes, I think it saved his life. He was so interested in every phase of your development that he forgot about himself. You brought a blessing into that house Cecily."

Pfc. Clarence E. Crain, Jr., is Back in States for Discharge

WITH THE FIRST ARMY IN KOKURA, Japan—Private First Class Clarence E. Crain, Jr., of Sedalia, Missouri, a member of the 21st Infantry regiment, 24th Infantry division, has recently returned to the United States for discharge, after serving a total of thirteen months overseas.

The 20 year old private entered the Army July 13, 1944. He was sent overseas in May, 1945, where he joined the 21st regiment in Mindanao, in the Philippines. At that time the 24th division was in the "mopping up" stages of that campaign.

In October, Private Crain moved with his unit of the 24th division to the island of Honshu, Japan, and became engaged in occupation duties. In June of the following year, the 21st regiment was stationed at Kumamoto, Kyushu.

As the 24th division areas on Honshu and Kyushu were the scenes of many athletic achievements, Private Crain had many opportunities to engage in the highly competitive baseball, basketball and football games as well as track meets, sponsored by the division for the interested sports fans. Statewide PXs, snack bars, Red Cross clubs, beer halls and theaters provided entertainment as well as refreshments for the private and his buddies in their leisure hours.

Private Crain drove a truck and farmed in civilian life. His father, Mr. Sim T. Crain, resides in Hughesville, Mo.

Conductor M. V. Burnap of the Katy had charge of the company's excursion to Kansas City Saturday night, while C. D. Parish took the second train from Sedalia to Kansas City.

Deputy U. S. Marshal T. H. McKenna of Jefferson City, came up from the state capital Sunday and may make an important arrest. A man, residing in the vicinity of Sedalia, alleged to have placed lead nickels in a slot machine, is the one sought and it is stated his identity is known.

Two Soldiers A. W. O. L.
Two soldiers, A. W. O. L., were picked up by the local police and have been turned over to the military authorities.

The first was Private Tommy Miller, Sedalia Army Air Field, picked up at his home, 1321 South Ohio avenue.

The other is Sergeant Richard Wolbert, 310 East Chestnut street, picked up early Sunday morning. It is the second time within the past few weeks he has been picked up by A. W. O. L. from a camp in Kansas.

Picked Up for Benton County
Curtis Keighley was picked up Sunday night in the 100 block on East Main street by the police at request from Sheriff Eaton at Warsaw.

He was turned over to the sheriff, who returned him to the Benton county jail.

CRITICAL PERIOD AHEAD FOR CARS

We urge all car owners to have their vehicles given a thorough inspection as often as once a month. Our skilled mechanics can discover hidden defects in cars which if taken in hand at once will keep the vehicle in service and perhaps prevent some frightful accident.

This is the only way that owners of cars and trucks can make their situation less precarious during the next four or five months.

Nat'l League Pennant Race Still Torrid

Dodgers and Cards Still Tied for Lead After a 7-Hour Battle

By Joe Reichler
(Associated Press Sports Writer)

Dave (Boo) Ferriss, the Boston Red Sox' sophomore pitching wizard, not only is the major league's biggest winner today, but appears on his way to establishing a modern record for most games won by a pitcher in his first two seasons in the big leagues.

Ferriss, whose 23rd mound triumph this season helped the American league leaders sweep a double header from the Cleveland Indians yesterday and increase their margin over the second place New York Yankees to 14 games, already has registered 44 victories in his first two years, only three shy of the record of 47 set by Grover Cleveland Alexander with the Philadelphia Phillies in 1911-12.

Wes Ferrell of Cleveland holds the American league mark of 46 set in 1929-30.

Ferriss outdueled Red Embree of the Indians 2-1, aided by Bobby Doerr, who smashed two home runs. The Sox won the second, 13-6. The Sox wiped out any mathematical pennant chances of the Chicago White Sox and St. Louis. The Philadelphia Athletics were eliminated ten days ago.

The Brooklyn Dodgers and St. Louis Cardinals, after a seven hour battle in St. Louis, ended up all even in their double header and remained tied for first place in the torrid National league pennant race. The Brooks came from behind to eke out a 3-2 victory in the opener, but the Cards climbed all over six

Burnetts to Play Tonight

WICHITA, Kas., Aug. 26—(AP)—Three undefeated teams went into the fourth round of the National Semi-Pro Baseball Tournament here today as the marathon entered its final week.

They are the St. Joseph Autos of Michigan; Waco, Tex., and Carmichael, Calif.

St. Joseph defeated the Oklahoma champions from Norman last night 8-2 with Roy Henshaw, former National and American League southpaw, getting credit for the victory.

The Waco Dons shut out the Fort Smith, Ark., Edwards Veterans 8-0 in seven innings. The Camp Lee, Va., soldiers eliminated Perth Amboy, N. Y., by a 10-1 score, while Hurley, N. M., booted Siler City, N. C., out of the tourney with a 5-1 defeat, and the Portland, Ore., Gilberts did likewise with the Enid, Okla., 8-7.

Meanwhile Ray Dumont, president of the National Baseball Congress, announced that the Canadian semi-pro champions of Windsor, Ont., will arrive here September 2, to warm up for the organization's initial four-out-of-seven-games international series with the U. S. champion, to start September 5.

The Canadian-United States series next year will be played at Toronto, Ont., Dumont said.

Today's schedule: (Central Standard Time).

6 p. m.—Kansas City, Mo., Burnett's Meat vs. Camp Lee, Va., Travelers.

8 p. m.—Wichita, Kas., Boeing Bombers vs. Phoenix, Ariz., International Life.

10 p. m.—Denver, Colo., Cigarettes vs. Milwaukee, Wis., Nerads.

Kansas City And Joplin Win Contest

Truck, Semi-Trailer Contest Held at State Fair Sunday

Kansas City and Joplin truck and semi-trailer drivers were winners of the state championship Missouri State Fair by the Missouri Bus and Truck Association. The contest was conducted in front of the grandstand preceding the All-American Thrill Drivers show.

In the tractor semi-trailer class, Walter A. Meador, driver for the Campbell Sixty-Six Express Co., Inc., of Joplin, was the first place winner. Leo Cooper, Consolidated Forwarding Co., St. Louis, was second. Third place went to Kenneth L. Kerr, Kroger Grocery Co., Kansas City.

Straight truck class was won by Rolla A. Davis, Borden Milk Co., Kansas City. Second place winner was Frank Jack Deming, Campbell Sixty-Six Express Co., Joplin. Harvey Williamson, Hermann and Roper Freight Lines, St. Louis, was the third place winner.

Judges for the contest were representatives of the Inter-State Commerce Commission; Missouri State Highway Patrol and the Missouri Public Service Commission.

The two top winners go to Chicago in October to compete in the national contest sponsored by the American Trucking Association.

Red Birds Win the Series With Eagles

The Sacred Heart Red Birds, Sunday night, defeated the Missouri Pacific Eagles in their fifth game of a five game series. The victory gave the Birds three victories over the Eagles, who took two of the games.

Timely hitting of Tommy Sanders and Edgar enabled the Red Birds to defeat the Eagles by a score of five to one. Only one error was made during the game and that by the Birds. It was a well played game on the part of both organizations.

Hyatt on the mound for the Eagles gave up seven hits while Harla pitching for the Red Birds, was touched for eight scattered hits. Harla, however, had the Eagles handcuffed, getting ten strikeouts while Hyatt sent three Birds to the bench via the strike-out route.

The Birds will go to Springfield Saturday to participate in the Missouri State Semi-Pro tournament.

Score by innings:
Eagles 000 010 0—1 8 0
Red Birds 000 302 x—5 7 1

Hornets Whip Bunceton, Score 16 to 0

The Smithton Hornets, behind the two-hit pitching of Fred Arrogast, whipped Bunceton 16 to 0 for their first league shutout of the season. Both teams were playing with patched lineups, Smithton without their second baseman and manager and Bunceton minus several experienced players. It was the nearest this season any Smithton pitcher had come to hurling a no-hit game. Two errors allowed two other Bunceton players to reach base. Ralph Thomas led the hitting for the day, getting three hits in five trips to the plate, including two doubles. Gene Bremer got two hits in four trips, one being a smash over the left centered fence in the fifth inning with none on.

Next Sunday the Hornets will meet Russellville on the Smithton diamond. This will be the last scheduled game of the season, but two postponed games remain to be played. Both of these are with the league leaders. One with Tipton at Tipton and the other with Centertown at Smithton.

The score by innings:
Bunceton 000 000 000—0 2 4
Smithton 170 020 06x—16 14 2

Batteries: Martin, Gerhard (3), E McCoy (8) and Gerhard (3), Arrogast and Green.
